THE ONLY NURSING BABY ELEPHANT THE ONLY

Born at the Winter Quarters, Br. Iseport.  
Mischievous as a Playful Kitten.  
80 Learned Doctors and Savants were  
present at the accouchement.  
The Metropolitan Newspapers alone pub-  
lished over 100 columns of comment.

A Prominent Showman offered \$200,000 for  
Baby 12 hours after its birth.  
Its Life was Insured one year for \$300,000  
at a weekly premium of \$1,000.  
It nurses with its mouth every few minutes.  
The Scientific Event of the Century.

Its birth was at once telegraphed all over the world, and has been placed on record as an occurrence of  
great value to science, and pages of graphic, truthful portrait views were published in nearly  
all the illustrated newspapers of America and Europe.
