**LITERALLY WHITE ELEPHANT**

He is strangely colored and vividly marked pink or flesh-colored on the face, trunk, neck, ears and shoulders. His tail is long, tufted with hair at the end and flat and he is the proud possessor of gracefully curved Ivory Tusks, polished and glistening. "Toung Taloung" is 13 years old, 7 feet 6 inches high and is pronounced a magnificent specimen of the Albino Elephaat. He is a superior Sacred White Elephant

According to Burmese Notion,

Who is style him "Gem of the Sky," "Glory of the Land," "Radiance of the World" and "Leveler of the Earth." That portion of his body not marked is the hue of ashes.

After three years of search, a world of money spent, countless dangers endured and many hair-breadth escapes from death encountered, we are enabled to announce a complete
