## WHERE PLEASURE REIGNS SUPREME.

### CHEAPEST EXCURSION RATES FOR EVERY ONE

MARK this well—that in every way, shape and form, the Stupendous, Millionaire and Moral Unity of Menageries, Museums, Circuses, Moorish Caravan, Paris Olympia Hippodrome, Aquatic Exhibitions, Elevated Stage, Olympian Games, Educated Animals, SPECIALLY RARE AND INSTRUCTIVE FOREIGN FEATURES, AND SUPER-SPLENDID AND UNPARALLELED FREE PUBLIC SHOWS AND PAGEANTS, enters upon the 8th year of its most popular and successful public career, far GREATER, GRANDER, BETTER, BIGGER, RICHER and WORTHIER THAN EVER BEFORE, and with the earnest determination, on the part of its Proprietors, of making the GLORIOUS, CHEAP, NATIONAL HOLIDAY it has everywhere established, even more delightful and accessible to all.

The attention of our country friends—whose respect and patronage we have ever been most anxious to deserve and secure—is particularly directed to the fact that the cost we daily incur in arranging and advertising CHEAP EXCURSIONS for their special benefit and convenience, amounts to a good deal more than the total expenses of most other shows. That, knowing this to be the case, ALL RAILROADS, everywhere, heartily and liberally co-operate with us in always extending every possible facility for the accommodation of our patrons, giving much lower Excursion Rates than are accorded under any other circumstances, furnishing special trains run at convenient hours for all, and stopping at all stations, both ways, and SELLING OUR ADMISSION TICKETS AT THEIR DEPOTS. In fact, the SPECIAL BARNUM TARIFF is invariably so very low, that big train loads often come a distance of a hundred miles to visit the King of Marvel Land.
